Any policy or contract of such insurance may, with the approval of SUBLESSOR, provide for deductibles, in which event SUBLESSEE shall add to the proceeds thereof, to be applied as herein provided, the amount of any deductible made pursuant to such provision in settling any claim under such policy. As used in this Sublease, the terms "proceeds" or "proceeds of insurance" shall be deemed to include any such deductibles. reinstating the Lease Premises or Sublessor Equipment destroyed or damaged, according to the plan thereof or such modified plan as LESSOR shall approve with respect to the Lease Premises and as SUBLESSOR and SUBLESSEE shall approve with respect to the SUBLESSOR Equipment. The excess, if any, of such proceeds shall be paid to and retained by LESSOR or SUBLESSOR as their respective interests shall require. 10. DAMAGE OR DESTRUCTION OF LEASE PREMISES OR SUBLESSOR EQUIPMENT

If the Lease Premises or the Sublessor Equipment are damaged or destroyed, SUBLESSEE shall repair or restore the damage or destroyed property, provided (i) insurance proceeds are made available in sufficient amount to pay the cost for the repair or restoration, and (ii) SUBLESSEE receives a written notice from C&H that C&H desires to have such repair or restoration performed by SUBLESSEE.
- B. To the extent provided for in the Lease for the Lease Premises, SUBLESSEE'S obligation to pay the rental provided for in paragraph 3 hereof, and the other payments required by the Lease and this Sublease, shall be suspended or abated, in whole or in part, by reason of any partial or total damage or destruction of the Lease Premises or Sublessor Equipment causing the Lease Premises or Sublessor Equipment to be unusable for its intended purposes.

11. LAWFUL ORDERS; ENCUMBRANCES AND LIENS

In its operations of the Subleased Premises, SUBLESSEE shall conform strictly to all lawful orders and/or regulations promulgated by any competent authority having jurisdiction, and shall at all times keep the Subleased Premises free and clear of all encumbrances and all liens which shall secure performance of any obligation which shall have matured or become due, other than liens which shall be contested and enforcement of which shall be duly stayed.

12. INDEMNITY

SUBLESSEE shall indemnify LESSOR and SUBLESSOR against and hold LESSOR and SUBLESSOR harmless from any and all claims, demands or actions by any person whomsoever, arising out of or in any way connected with the use and occupancy of the Subleased Premises above described, including but without being limited to all claims for any damage to or loss or destruction from any cause whatsoever of raw sugar in bulk handled on the Subleased Premises. This indemnity agreement shall not extend to claims arising out of damage to property or injuries to person caused solely by negligence on the part of LESSOR or SUBLESSOR, nor to any negotiated settlement of any claims not approved by SUBLESSOR.

13. INSPECTION

SUBLESSOR shall have the right at all reasonable times, and from time to time, to enter upon the Subleased Premises and make such reasonable inspections of the Subleased Premises and the operation thereof as it may in its sole discretion see fit to do; provided, that such inspections shall be limited to matters germane to this Sublease and its performance by SUBLESSEE.

14. DEFAULT AND TERMINATION

SUBLESSOR may terminate this Sublease at any time in the event of any default on the part of SUBLESSEE in paying the rental and other sums herein provided for when due, unless SUBLESSEE shall cure such default within thirty (30) days after its occurrence. SUBLESSOR may terminate this Sublease at any time in the event of any default on the part of SUBLESSEE in the performance of any of its other obligations hereunder, unless SUBLESSEE shall cure such default within thirty (30) days after receipt from SUBLESSOR of written notice of such default. This Sublease shall be terminated, without prior notice, upon the happening of any event whereby LESSOR or SUBLESSOR may and does terminate the Lease. In the event that LESSOR, pursuant to paragraph 44 of the Lease, gives written notice of its intention to revoke the same, and the breach giving rise to such notice may be remedied only by the termination of this Sublease, then either SUBLESSOR or SUBLESSEE, within thirty (30) days after receipt of such written notice, may, by written notice, terminate this Sublease. SUBLESSOR shall give SUBLESSEE prompt written notice of receipt of any such notice from LESSOR. Except as provided in this paragraph, SUBLESSOR will not, without the prior consent of SUBLESSEE, voluntarily modify, cancel or surrender the Lease. Upon the termination of this Sublease for any reason whatsoever,

there shall be reserved to the parties all rights accrued or accruing under the Sublease prior to or in consequence of such termination.

15. DEFAULT OF SUBLESSEE

In the event that SUBLESSEE shall be dissolved or adjudged a bankrupt, or shall make a general assignment for the benefit of its creditors, or shall lose its charter by forfeiture or otherwise, or a receiver shall be appointed for all or any of its property, or a petition for reorganization of, or other proceeding or action in reference to, SUBLESSEE under any provisions of the Bankruptcy Code shall be filed by SUBLESSEE, or such petition shall be filed by creditors or others and approved by the court, then SUBLESSOR, in addition to all other rights provided by this Sublease or applicable law, shall have the right forthwith to terminate this Sublease, and to require payment of damages; provided, that if any default referred to in this paragraph shall be remedied within thirty (30) days of its occurrence, SUBLESSOR shall waive such default. To the extent permitted by law, the damages herein referred to shall be liquidated in a sum equal to the amount, if any, by which the total payments payable by SUBLESSEE under this Sublease exceed the then reasonable cash rental value of the Subleased Premises for the balance of the term at the time of such termination.

16. TERMINATION; CONDEMNATION OF LEASE PREMISES

In the event that the Lease shall be terminated by LESSOR pursuant to the provisions of paragraph 44 of the Lease, or in the event that the Lease Premises or any part thereof shall be taken or condemned for any public use, then and in either of such events, all compensation or damage payable by reason thereof shall be payable to and be the sole property of LESSOR or SUBLESSOR as their respective interests may appear, and the rental and other amounts payable as provided for herein shall be abated, reduced or suspended, and the terms, conditions and covenants hereof applicable to the remainder of the Lease Premises, if any, shall be reduced or affected by such termination or condemnation. SUBLESSOR will, upon the request and at the expense of SUBLESSEE, present and prosecute a claim for compensation or damage payable by reason of such termination or condemnation, and for reduction of rent, if any, resulting therefrom, under the control of SUBLESSEE and in such manner as SUBLESSEE shall direct. The rights and obligations of the parties, pursuant to this paragraph, shall continue in effect notwithstanding the termination of this Sublease as a consequence of the termination of the Lease by LESSOR.

17. ASSIGNMENT

This Sublease shall not be assigned by SUBLESSEE without the prior written consent of SUBLESSOR, except that SUBLESSEE may, without such prior consent of SUBLESSOR, but subject to any other necessary consents or approvals, assign this Sublease to the parent of SUBLESSEE, or any wholly owned subsidiary of the parent of SUBLESSEE, or any agricultural co-operative marketing association of which any wholly owned subsidiary of the parent of SUBLESSEE, shall be a member; provided, that upon any such assignment SUBLESSEE, unless released in writing by SUBLESSOR, shall continue as a guarantor for the faithful performance of all of the obligations imposed upon SUBLESSEE hereunder.

18. SURRENDER

Except as otherwise provided in this Sublease, at the expiration or sooner termination of this Sublease, SUBLESSEE shall peaceably and quietly surrender and deliver possession of the Lease Premises, Sublessor Equipment and Sublessee Improvements to the SUBLESSOR, together with all improvements constructed thereon of whatever name or nature, in good order and condition, reasonable wear and tear excepted; provided that the Sublessee Improvements may be removed by SUBLESSEE at SUBLESSEE'S expense as provided in paragraph 36 of the Lease; and provided further that within thirty (30) days after the expiration or termination of this Sublease, the LESSOR may, at LESSOR'S option and upon written notice to the SUBLESSEE, require the SUBLESSEE to remove all or any portion of the Sublessee Improvements at the SUBLESSEE'S sole expense. In any such removal SUBLESSEE shall conform to the requirements imposed upon and shall have the rights granted to SUBLESSEE in paragraph 36 of the Lease.

19. SUBSTITUTION OF LESSOR FOR SUBLESSOR UNDER THIS SUBLEASE

On and after July 1, 2002, LESSOR shall be substituted for Matson Navigation Company, Inc. as SUBLESSOR under this Sublease and LESSOR shall have all the rights and obligations of SUBLESSOR arising under this Sublease on and after July 1, 2002.
